SOCIAL MEDIA GRID

A grid-style allows you to send a clear message regarding your social media goals whether you're marketing products or services, or you're just trying to drive traffic to your website. Think of it as a visual representation of your brand as a whole.

VISITING CARD

The business card represents your company's brand. Not only does it convey important personal contact information such as name, title, email, website, address and phone number, but oftentimes it is also the first exposure to the overall image of the business.

BANNER

• • • •

Branding is the process of giving a meaning to specific organization, company, products or services by creating and shaping a brand in consumers' minds.

BROCHURE

Flyers and brochures are both used to attract attention and to promote or persuade based on their content.
